Mr. Marion Johnson
The National Archives
Washington, D.C.

Dear Mr. Johnson,

Thank you very much for the materials I picked up today. There seem to be a few things missing relating to Normal Similes.

Documents 1538, the October 14 letter of J. Edgar Hoover to J. Lee Rankin, says there are five attachments. Stated to this letter was the July 15 Liberty article, 1538a, the interview with Waldo Butler, and 1538b, the second article. There was nothing else. There would seem to have been two other items not in this group.

three

Mr. Hoover refers to Rankin's letter to him and Hoovers ~~xxx~~ other letters, dated, respectively, September 3 and September 25 and 30 and October 2 on this subject. I would like to have this as soon as you can conveniently have copies made.

On my return to the Archives ~~xxxxxx~~ today, I got Mr. Simmons message that he wanted to see me. He was not then in the office. When I called later the line was busy, and I then had to leave town. Possibly this was about the Hughes-film parts of Document 1.

It was kind of you to let me know my deposit was running out. I did take care of this today.

Sincerely,

Harold Weisberg
