

April 20, 1967

Dear Mr. Johnson,

I should like to obtain copies of the following documents:

Doc 6: pp 222-3, 423, 429-31, 439, 445

Doc 7: p. 104

Doc 75: pp. 364-5, 378, 382, ~~384~~³⁸²-5, 388, 446, 517, 695, 534, 703, 705

Doc 205: 758

If any of these is a single page of a document several pages in length, I would like the entire document or report.

I would also like a copy of the FBI reports of 11/23/63 and 1/11/64 on Oswald's notebook.

There is a Gemberling report of 4/15/64 pages 43-9 of which I should also like a copy.

I will have to be in Washington the morning of Thursday, April 27. If these can be ready then without inconvenience to you I'd appreciate it because it would save me a trip. Perhaps by that time you will also have the pictures I have ordered.

Thank you very much.

Sincerely yours,

P.S. Also: Doc 962, a memo from Sorrels to Kelley of 5/18/64 on videotapes; Doc 1243, #47; FBI Agent Barrett's 12/4/65 report on his interview with Zapruder
