

3/11/67

Dear Mr. Johnson,

In the material I received yesterday afternoon, several of the documents I ordered were missing. These were, from Document 75, pages 94, 102-3, 206, and pages 198 and page 23 of Document 126 were incompletely Xeroxed and are illegible.

I would appreciate it if you could make two copies of each of these for me, mailing one of each and soon as possible and keeping the other set there for me to pick up, in the event I can get in again before the mail is delivered.

Sincerely,

Harold Weisberg
