

April 30, 1967

Dear Mr. Johnson,

I should like to obtain copies of the following documents:

Doc 5: pp 222-3, 423, 429-31, 439, 445

Doc 7: p. 164

Doc 75: pp. 364-5, 378, 382, ~~383-5~~, 386, 446, 517, 696, 534, 706, 708

Doc 206: 768

If any of these is a single page of a document several pages in length, I would like the entire document or report.

I would also like a copy of the FBI reports of 12/23/63 and 1/11/64 on Oswald's notebook.

There is a Gamberling report of 4/15/64 pages 43-9 of which I should also like *a copy*.

I will have to be in Washington the morning of Thursday, April 27. If these can be ready then without inconvenience to you I'd appreciate it because it would save me a trip. Perhaps by that time you will also have the pictures I have ordered.

Thank you very much.

Sincerely yours,

Harold Weisberg
