Mr. Marion Johnson  
The National Archives  
Washington, D.C.

Dear Mr. Johnson,

Thank you very much for the materials I picked up today. There seem to be a few things missing relating to Normal Similas.

Documents 1536, the October 14 letter of J. Edgar Hoover to J. Lee Rankin, says there are five attachments. Staped to this letter was the July 18 "liberty article, 1536a, the interview with Waldo Butler, and 1536b, the second article. There was nothing else. There would seem to have been two other items not in this group.

three  
Mr. Hoover refers to Rankin's letter to him and Hoovers ~~xxx~~ other letters, dated, respectively, September 3 and September 25 and 30 and October 2 on this subject. I would like to have these as soon as you can conveniently have copies made.

On my return to the Archives yesterday today, I got Mr. Simmons message that he wanted to see me. He was not then in the office. When I called later the line was busy, and I then had to leave town. Possibly this was about the Hughes-film parts of Document 1.

It was kind of you to let me know my deposit was running out. I did take care of this today.

Sincerely,

Harold Weisberg
