301/475-6186

October 12, 1967

Dear Mr. Johnson,

In the recent Xeroxing, the following items seems to have been overlooked:

The Oswald "Fair Play" literature with the return address 344 Camp St.

Under Bellia, of a 41-page memo on whether Marina could testify, dated 3/11/64, the first two pages.

Willens memo to Ferrer, 2/22/64, on file classification

Redlich memo to Liebeler, 7/22/64, relating to General Walker and Cubans

A second Redlich memo of the same date, in the same file

Redlich memo to Rankin, 2/23/64, on Report outline.

Ely memo to Solin, 4/21/64, on the Fritz and Dury appearances.

Poliak memo to Griffin, 7/17/67, on further investigation.

Ely memo to Poliak, 9/16/64, relating to the conspiracy chapter.

From Box 4, Criggin, Hubert memo 4/1/64. There are two not quite identical versions, the other dated 3/20. Both, please.

The photographs were excellent. However, you forgot to indicate the exhibit number of each on the photograph of all. If you could indicate them for me, from left to right, I'd appreciate it.

Sincerely yours,

Harold Weisberg
