IN REPLY REFER TO:

Mr. Harold Weisberg  
Coq d'Or Press  
Route 8  
Frederick, Maryland 21701

Dear Mr. Weisberg:

This is in reply to your letter of July 13, concerning records of the Warren Commission.

We do not have the original notebook copied in Crafard Exhibit 5204 and Armstrong Exhibit 5309-B nor any copy which includes the page tabbed "O." The original notebook was apparently never in the possession of any Federal agency, and for that reason the order of the Attorney General of October 31, 1966, would not apply to it. For our interpretation of the Attorney General's order, please refer to our letter to you of July 5, 1968.

The following Commission documents contain indexes which you do not have: 1, 81b, 84, 85, 86, 103-107, 107.1, 206, 223, 329, 360, 385, 441, 693, 722, 735, 736, 856, 897, 913, 914, 1066, 1107, 1121, 1179, 1193, 1245, 1283, 1284, 1295, 1306, 1348, 1395, 1896, 1408, 1481, 1512, 1513, 1518, and 1546. Please let us know as soon as possible how many of these indexes you will want copied so that we can complete the job and refile the indexes.

Sincerely,

A handwritten signature in cursive script that reads "James B. Rhoads".
