12/30/68

Dear Faul,

A while back you gave me the source of the original report that attracted fedoral interest in Brown. I connot now locate it. I esked Marion Johnson to provide the report, because it should be in his name file.

Today Johnson told me it is not.

Can you provide me the source again, if you do not have the document, so I can get it, please

Thonks,

Harold Weisberg
