Dear Mr. Weisberg:

This is in reply to your letter of August 13, concerning records of the Warren Commission.

We shall prepare the microfilm copy of indexes to Commission documents as soon as we receive your check, which was apparently not enclosed with your letter.

The material relating to David W. Ferrie that is withheld from research is withheld under Guidelines 3A-C. We do not know the precise reason for withholding each page or report. Copies will be sent to you if the material is released.

Sincerely,

A handwritten signature in cursive script that reads "James B. Rhoads".
