Dear Mr. Weisberg:

This is in reply to your letter of November 18, 1968.

We are preparing copies of the following for you:

1. The Secret Service report published in XXIII Hearings 187 (CE 1153).
2. The Secret Service report of an interview with Mrs. John Tarsikas, dated November 25, 1963.
3. Four FBI reports of interviews with Mrs. Jesse Garner, three of which are by Special Agent Kaack.
4. Affidavit of Jesse Garner, dated May 5, 1964.

Enclosed are copies of the following:

1. Secret Service Report No. 200 (CD 87).
2. Endorsements on the back of Garner Exhibit No. 1.
3. Letter from J. Lee Rankin to Jesse J. Garner, dated May 1, 1964.

It appears from Secret Service Report No. 200 that the "still" of Oswald was made from the film furnished by TV station WWL-TV, New Orleans. FBI Exhibit No. D-117, listed in the Attorney General's Order of October 31, 1966, is described as a roll of 16 mm duplicate film print of silent movie by WWL-TV. Since the Attorney General's Order states that the acquisition of an item of evidence under the order does not constitute an acquisition of any copyright or other literary property rights associated with such item, we can furnish you copies of the stills made from this film or a copy of the film itself only if you obtain written permission from WWL-TV for us to do so. We can, however, show you the film if you wish to see it.

Similarly, although we may show you the film which is listed as FBI Exhibit No. D-116, a roll of duplicate film print of movies by WDSU-TV, New Orleans, we can furnish a copy of the film or stills made from it only if you secure written permission from WDSU-TV for us to do so.

We have found no other relevant material in the records of the Warren Commission under the names given in your letter. You may wish to search further in the records of the Commission which we can make available to you in our research rooms.

As we have previously informed you, our search is limited to records which are in the custody of the National Archives and Records Service. With respect to any records which you believe are in the custody of any other agency, your request should be made to such agency.

Sincerely,

JAMES B. RHOADS
Archivist of the United States
