Dr. James Rhodes  
Archivist of the United States  
The National Archives  
Washington, D.C.

Dear Dr. Rhodes,

OS87, Secret Service Control 633, dated 12/12/63, also in the John F. Kennedy 4-1 file, on its third page lists the statements obtained by the Secret Service from the doctors listed.

I would like a copy of each of these statements and the covering memo of 10/11/63 with which they were forwarded.

Sincerely yours,

Harold Weisberg
