Mr. Harold Weisberg  
Route 8  
Frederick, Maryland 21701

Dear Mr. Weisberg:

Enclosed are copies of electrostatic copies of documents concerning films relating to the autopsy of President Kennedy which we recently received from the Secret Service.

The area on the collar of President Kennedy's shirt which you pointed out to Mr. Johnson, in the photograph of the shirt which he showed you, is a wrinkle. We prepared the photographs of the shirt and the coat to show to researchers instead of the clothing itself. We do not furnish copies or enlargements of these photographs for the same reasons that we do not take special photographs of the clothing for researchers - to avoid any possible violation of the agreement with the Kennedy family.

Sincerely,

A handwritten signature in cursive script that reads "James B. Rhoads".

JAMES B. RHOADS  
Archivist of the United States

*Killman receipt included  
under autopsy, pictures, X-ray*
