SUBJECT: Records of the Warren Commission. (Your letter of August 11, 1970).

In Commission Document 87, Secret Service Control Number 491, the Affidavit In Any Fact for M. L. Baker is the same as page 6 of CD 81b.

Copies of other documents you requested are enclosed.

In our letter to you of December 30, 1969, we stated that we had identified a photograph of the base of the bullet in Commission Exhibit 399 of which you had requested a print as a photograph which we had taken for Dr. John Nichols. We believed that it had been taken for Dr. Nichols because it was similar to photographs which we had taken for him. We think now that photograph was taken for Mr. Harold Weisberg. We regret this error.

Sincerely,

MARK G. ECKHOFF
Director
Legislative, Judicial and
Diplomatic Records Division
