

7/24/71

Dear "Ike,

Thanks for the copies, which reached me yesterday. Thanks you also for checking on the status of my account. A check for \$25.00 is enclosed to beef it up a bit.

Between the haste with which I examined GA - 2 Texas and my illegible handwriting, I cannot be certain of some of my notes. So, I may be asking for what is not in that file. If I have the sequence of names reversed, the error will be mine. It is also possible that I may have made out a date incorrectly. But it is only if the writer and addressee are as listed below that I will want copies of this correspondence.

J. Lee Rankin to Wagginer Carr, 2/24/64.
Carr to Warren, 1/6/64, with the attachment, Willens memo.
Rankin to Carr, 2/10/64
Carr to Rankin, 8/25/64.
Carr to Rankin, 2/4/64, attachment only.
Rankin to Carr, 1/13/64, attachment only.
Jaworski to Rankin, 2/25/64.
Telegram, Stegall to Rankin, 1/23/64.

This does not seem to be a complete file. I have seen published copies not included. If pages were out being copied, I'd appreciate being told so I can examine it again. If it is incomplete, I hope the Archives will replace what is missing and let me know so I can again examine it to complete my own file.

Also in the folder, unless clearer in the original file, I would like copies of CD1408, pp. 10-11 and 26-8.

Thanks you very much.

Sincerely,

Harold Weisberg
