Re Richmond C. ("Tito") and Conchita Harper (George deMohrenschildt) Weisberg  
Replying to my 8/14/72 on 8/29, Arch said, "The records of the Warren Commission do not include name files for Richmond C. Tito or Conchita Harper". If this is less than the most definitive answer possible (for example, they have the beginning of the WC index the Arch. itself was making and the entire SS card file index), I do not think I'll carry this further. Remember, it relates to the arrest on gun-smuggling charges, supposedly vs. Castro. HW
