Dear Mr. Weisberg:

This concerns your letter of March 8, 1972, to Mr. Vawter, which he has referred to the National Archives.

In regard to the last paragraph in your letter, no records were found under the name that you gave Mr. Simmons by telephone. He understood that the only response you wanted was for us to send you copies of any records found under that name.

Sincerely,

A handwritten signature in cursive script that reads "James B. Rhoads".
