Dear Mr. Weisberg:

This is in reply to your letter of June 17, and two letters of June 18, 1977, concerning the records of the Warren Commission.

The copies of 1975-76 released documents have been sent to you.

As indicated in our letter of June 8, we furnished you copies of records relating to James T. Tague and the mark on the curbstone that we could locate without excessive searching. We will be pleased to make records available to you in our research room for any additional searching you may wish to do. Pages 36-39 of CD 1395 and page 35 of CD 1245 were not in the name files we examined.

We do not have the negative of the Dillard photograph or the Underwood film.

Sincerely,

Jane F. Smith
