10/18 renew request for aut notes, auth.

10/23 identifies bullets shown in comparison pictures sent; 2) mailing all requests from my 10/12 except 3 - a) Redlich-Liebeler 7/22; b) c) Griffin-Hubert memos 3/20, 4/1. A is a letter and is sent (sic), b and c withheld (undated Howard's summary) In reply my 10/18, refer their 10/13. Feel it isn't necessary to add anything.

10/26 - 1) renew request for Hubert-Griffin memos 3/20, 4/1 and Liebeler memo, all of which were denied. Want copies (note, I had to have had these available in Arch, read them and asked, and they were then rechecked.

10/27- 1) Liebeler-Rankin expressing thanks for serving under him, also signed by Griffin;
2) CD 126:23

6-1968

11/15- 1) memos to which I refer "properly withheld"; only thung from Redlich to Liebl. 7/22 is a letter which you have; 3) Since Liebeler was in Dallas then, Redlich would have put the info you desire in the letter but it isn't in there; 4) copy CD126:23 enc.; 5) tell date memo by Liebeler and Griffin and they will search for it.

11/25 Complains of withdrawal of docs already seen which are ibconsistent with WR conclusions

12/5-1)there has and will not be a re-exam of things you select for copying just because you select them; 2) there were a few memos withheld which were in the box you had; 3) The Liebeler-Griffin memo is one of ~~them~~ three you want that are withheld; 4) there is no memo dated 7/22/64 from Redlich to Liebeler in the WC records. (Note to self- I believe I clipped those I wanted. I made a few notes, and I suspect there is a typo in the date here.)

12/8- Why are the declassified papers I requested suddenly when I want copies? 2) How could the photocopier know these are restricted, if, as you say, the things I request are not reviewed? 3) why was I not told I had ordered restricted documents until after I inquired into their being absent from my order? 4)mask the original to withhold what you want withheld just so I get the fine commendation of Rahnin.

12/18-1)Liebeler-Griffin memo does not contain statements "corresponding to your description"; 2) it contains one sentence which could be the basis of this; 3) we cannot furnish copies of quotations or parts of withheld documents.

1968

1/9/68 -transferral agreement pix, X-rays has been made available, copy enclosed (note- not written until some time after story appeared in NYTmes.

12/2-1) More on Humes' notes, with copies testimony, renew request for; 2) declassified documents cited in Allen-Scott Report, IHO mail intercept; 3) renewed request for docs court report took ex sess.; 4) how can 1/27 ex sess be classified to me and not to Ford? Gave him copyright on Govt files secret to me; 5) ask for pages Ford quoted; 6) steps for me to carry this further; 7) Again ask how NYT got exclusive on GAS-family contract.

12/19, Rhoads re 11/23/27 1)- making copies of what they can find that I asked for; 2) no Hudkins, Goulden stories found; 3) no rpt of Hudkins interview by FBI agt James W. Russell. 4) nothing under Calif Rangers (Note- rest ignored).

12/21- 1) Got CD75*232, 474, 674, 697; CD 301:15; CD12:1-3; CD152:15; CD302:122; CD59:4-5; CD34: 3-5; CD1107:473; 2H 1115; CD385:104-5; CD206 (apparently) 148; CD 34:3. No CD indet. SS107, 703, 5/5/64 Garner rfr report either CD 418:206 or CD206:418. Ask ident. so I can mark. 2) Ask FBI interview James J. Paine, Dick White; 3) FBI 8/23 Bringuier interview; 4) FBI 8/63 IHO interview; CD12 (Kaack 10/31/63) 5) copies Ferris docs declassified as per Vinson ltr.
12/22: Are there earlier Tarsikes reports than CE1153 & Rice's 12/26/63?

12-1968

12/26, re my 11/18- copying CE1153, Tar-sikes 11/25/63; 4 FBI Garner ~~interrogation~~ reports (Kaack); 5) Garner 5/5/affidavit; 2)enclose CD87:200, endorsement back Garner Ex 1; ltr, JER to Garner 5/1/64; 3) Nothing

12/30 My note to PH# Arch Robt K, Brown other names my ltr. file doesn't have report on orig. attention to him.

1969

1/5, 1)Orig file categories all encompassing? Like LHO lit dist, False Oswald. Seems to be no special provision. Have they discovered or made more breakdowns? 2) How can we know what has been declassified after we have been told it is classified? If they have list, I would like copy.

1/5, relet 12/26-endorsement back Garner 1 seems cropped (size), ask full copy; 2)Johnson's explanation of April Mrs. Garner deposition referring to May Garner affidavit; 3)they refuse me copy Garner 1, I protest change policy; 4) Shown 12/3/63 copies N.O. TV footage and I ask for earlier copies, SB 200 reference. Repeat request for original (note how long it took to see it). 5)asked for 6 stills WDSU footage, referred to in FBI reports, shown 3, one of which not from this but WWL's; 6) charge Archives with maintaining integrity their files; 7) history my request for spectro;; 8)again request explanation of NYT exclusive on contract.

~~Nothing from Plaine, Dick White, Dick White~~ 1/6, Rhoads- 1) gives sources unmarked docs; 2)Nothing J.J.Plaine, Dick White; 3) if I will be notified if add records released, sent copies any Ferrie docs.

1/27 to Schoener-1)no list name files; 2) name files duplicate others; 3) individual docs not catalogued. 4)estimate 20% by vol. withheld

1/29 to Schoener-corrects sentence in 1/27 to read, "We do not have records of other agencies concerning the investigation of the ass. of Pres. K, except those that are among the records of the Commission." If true, this means that the entire US govt violated the ex order

1/29 to Schoener-1)some docs missing when they received Com files;2) they sometimes turn up.

2/28-three weeks since Rhoads assure me I'd get response re 4/28/65 memo transfer; 2) why does it take so long? (I asked by phone in January) 3) charge reason really suppression; 4) still want answer on contract-NYT.

3/5, sent GAI-FBI 1/11/64 on "Info Failure",

5-1969

3/23, more than 6 weeks since Rhoads promised "prompt" reply to my request for memo transfer; 2) inordinate delays when I get any answer; 3) renew request for memos & explanation delays; 4) requests going back to 1/15 not answered-checked no further back- but he had told me all answered; 5) all docs relating to CD47:8-9. Bill Corley, Luke Hester, any investigations of matters referred to, inc. license Elorf

4/4-memo transfer "private paper" (they have)
4/6, re 3/23, sent me dupes CD47:8,9, frank
3 copies CD44:7 from different KP files but no response to questions/repeat requests;
3) was this denied WC?; 4) ask agency origin;
5) (something on) memo transfer

4/7- 1) took 82 days to tell me memo transfer is "private paper"? 2) it covers pix, X-rays autopsy, 3) but send me a copy of the government's copy, not that of Kennedy family, and any and all pertinent records; 4) or assurances there are no such records; 5) why did it take so long to claim this as a "private paper"? 6) this contradicts two affidavits he filed in court; 7) ask for source his volunteered statement pictures listed in panel report are those in appendix B contract; 8) how did those come to his attention? 9) neither gives a total yet each is to make an historical record (are historical records made only to be suppressed?), or subtotal of each kind, size-and they do not add up to other records; 10) are the totals panel and App. B identical? How about "nk image" film?

5/16- 1) sends 301:13; CD12:1-3; complete reverse side Garner 1; 2) no additional info Garner 1 located; 3), my assumptions first two items their 12/26 on Garner correct (note- this is my ltr 1/15/69, more than 4 mos old) These include "a unique, if not bizarre, concept of evidence", attaching to an "unprepared affidavit... a photograph" that could have been offered during the taking of the deposition; that the picture is attributed to the wrong source; that the Archives is engaged in suppression; So, I do not know which are the correct assumptions; 4) Disclosure IHC out. photos "invasion of the personal privacy" his family (they were published); 5) The two pp Humes' notes made while examining "corpse" reproduced H17 45-6; 6) nothing under Richmond Tankerslee (N.O. postal clerk); 7, know of no "declassification of documents relating to the interception of Oswald's mail". Asks for copy Allen-Scott column; 8), No added new subject classifications; 9), "There is no list of the material that has

14-1969

become available for research as a result of the (?) review"; 10, expect nothing to be released "until the conclusion of the review of the records scheduled for 1970; 11) then all I have asked for I will be told about, "We are keeping a list of your requests for such records"; 12) have only the copies of the WDSU-WWL film I was shown; 13) the six FBI stills from the WDSU film not found; 14) original of Richard Carr statement not in WC records; 15) no copy 1/11/64 Shaffer-Willens with attachments.

6/16, Hochp on alteration CE237, Odum 1. report, available free from DJ.

6/5, to Hoffman: selling for \$3.20 the panel

6/26-Schoener requests.

6/27, note from Burke Marshall, no interest in what I sent.

6/30. to Sen. Mathias, asking him to ask Archives why responses have been delayed.

7/7, ask picture 399 on scale or statement of its weight.

7/14, protest delays, discrimination. Repeat request memo transfer. Again ask for what I need to invoke Freedom Info Act, reminding him that on all the occasions I have asked this they have failed to respond

7/14, to Kelley-SS practising their evasions on this

7/21- 1) ask items in 11/26/63 Bouck receipt. Anything new in Archives? Burkley's receipts? 2) any and all records about pix, X-rays.

7/28-will not weigh bullet "because this might lead to other requests for lab. procedures... which would result in the loss, change or alteration..."

7/29 ~~re~~ re 7/21- 1) WC no copies authorization, "We assume this copy was furnished ~~you~~..." Enclose copy. 3) No new aut. material.

7/30, 1) taking a picture on a scale no different than taking it on a table. They regularly take such pictures. This is not request for lab work. But, "I want to know the exact weight"; 2) unanswered, etc.

7/31-1) Ask file identification authorization; 2) whether 7/21 request in WC materials no answer to whether they have it anywhere, as required; 3) ~~Free~~ Free Info. forms asked again.

7/31 to Rowley, asking ~~for~~ for "what is receipted to Burkley 12/26/63.

8/6, Kelley: 1) no copy aut authorization (he showed me original 3/4/70!) 2) sending copy death certificate (isn't end isn't complete)

15-1969

8/8, to Kelley, re his 8/6, telling him what he did send (doctored inquest) and again asking for FI forms

8/13, Rhoads 1) has nothing to add to their 7/28 (at best this does not respond to my request for knowledge of its weight); 2) reply to my 7/30, 31; 3) auth from JFK 4-1 file where it has always been; 4) I have everything SS has transferred to Arch; 5), GSA regs on FI enclosed (but no forms). By accident, xeroxes my 7/30, 7/31 stamped with routing, etc., and with slip routing to Harding, 4140 GSA Bldg (I sent copies to Bud, with memo)

undated, re 8/13: 1) didn't say from what file they may copy sent me; 2) not in JFK files made for me (note-this record alone reflects my persistent and unanswered requests for it); 3) they wrote they do not have it; 4) his and SS letters contradictory; 5) memo trans, SS copy.

(copies Nichols 1/9, 8/15/67 to Bahmer and his 8/10 reply. Don't have death cert or blank auth., removal, transit forms)

8/15 to Nichols, copies others, re: aut authorization & other things

8/20, Schoener requests

8/22, to be in DC, want to see Exs 557-9, 561-70

8/26 to Nichols, copies others: Arch has no FBI negs these exhibits. They have only offset negatives. 2) I asked Johnson to get FBI negatives of this evidence and copies to me.

8/27, Johnson note: "we do not have FBI negs." (my note on what I then saw).

8/27, repeats auth in JFK 4-1 and "have no other info concerning the source" (Rhoads may have been careful not to, but some added it at a late date, from CD362a)

8/28: 1) asked again for orig evidence these exhibits. not offset negs. 2) weight 399 again-discussed with Johnson; 3) alternatives; 5) unanswered. (Note- I also asked Johnson about shirt, tie, pix.)

8/28 to Nichols, others: pix casings
8/28, Bud, Paul-withheld docs. Johnson says not showing Pres. garments. He confirms no photographic side view tie nick. Johnson unclear on recent declassifications. I asked how we were to know. He volunteered to annotate list. I said take time to make it complete when I bring it in.

8/29, Nichols, Paul, Bud, Gary, Sylvia, re: attached Rhoads ltr 8/27 & aut auth not in JFK 4-1

8/29, re his 8/27, 1) haven't told me why no file designation aut auth and challenge his letter.

9/2: Questions about pix, X-rays: number, kind, sizes, identifications, how many what

prints, photos, scale, and exp. processing

16-1969

X-rays, absence of image on some (copies if exist). If refuse, please send copy to Marshall

~~9/4, Schoener to Eckhoff on those mis-~~

9/4, Schoener to Eckhoff on those mis-taken for IHO

9/11 (Eckhoff to Schoener (no such speed with me)

9/5, to Lowenheim, on Arch secrecy

9/11, Schoener to Eckhoff

9/24, memo conversation Simmons 1)marked my list; 2)believes they have Halls transcript but not in his archive; 3), asked Rhoads sec for transcript. She thinks they have but not in his office. Likely in Legal-Dip.; 4) I asked for P.M. session

9/25, "We do not have" transcript but I can get from Court reporter

9/27 to Angel, is there any trans. anywhere in agency, not only his office?

10/3, my memo on declass., marking my list. Never indicated existence any lists.

10/7 Neither Arch nor GSA has transcript. (and Justice never answered)

10/9 (two) Memo records trans. sut. Orig. marked as orig Ex397, which they are not. descriptions.

10/19, renew request for material itemized CD571; 2) asked for ex no covered by missile receipt; 3)unanswered, etc.

10/17, two memos on conf. Angel. 1) No "public disclosure" WC records file-Simmons. 2) autopsy orig never in WC files, stored with copy sent to printer; 3) told Angel what had not been supplied me.

10/17, list names submitted to Arch.

10/18, statements listed CD57:633; JFK-4-1, from doctors. Asked for covering memo; 2) 12/11/63

10/25 (undated) Simmons memo on declass. 3 State CIA files 11/64

10/25, forgot ltr to IHO in CD57 when copying for me; translation and orig., in Spanish; asked for list Ferris docs as prepared by Johnson 2/67. Are there more legible copies of SS449,454,470 (SD57) in other files?

10/31, re my 5/27,28 (only 5 mos!) See their 8/27 to reply my 8/29-wrote me ans two days before I wrote them. 1)Marines book rtd Bringular; 2)not aware any FBI rpt with info in Allen-Scott column; 3)no DJ declass. since Vinson's 11/7/68 ltr me;4) refer me to FBI for hqs WC exs. 5)can ask FBI for cert. statement 399 weight before transfer, to Ar. 10/31, reply 4/7,7/14,9/2 (to 6 1/2 months) 1) memo trans. property Ken. family (not resp.) 2)refuse any more info pix, X-rays on ground to do so would encourage "morbid curiosity". 3) answer to Marshall

11/1, 1)ask CEs 391,740 from orig. neg. orig. signed copy, signed by Burkley, ltrs transmittal, distribution, any, all appendages; 2), all on Fred O'Sullivan, H.L., Lamar, Bunker Hunt.

17-1969

11/4, re both 10/31: 1) forward ltrs on memo transfer as my appeal (on these alone this case); 2) He evades. I asked SS copy, which is not family but US property; 3) if he refuses this I ask he make it specific; 4) how can chain possession be described as encouraging morbid curiosity; 5) also applies to how film was ruined, X-rays burned and disappeared; 6) he was respondent in court when it was held these things not private property; 7) does not say no copies made of IHO's Marine Guidebook before returned, ask agency origin; 8) my biblio was annotated but as a substitute for providing lists the existence of which was not disclosed to me when I asked (and note several years since I first made this request in writing, earlier verbally); Exp. of 2 Specter memos in "Scavengers"; 10) unanswered requests

11/4 to Mitchell 1) re pix 399 on scale or certification of its weight at identifiable times while in official hands; 2) refusal to supply docs listed CDS71-FBI receipt for missile & record papers-ask him for it; 3) refusal to provide any info pix, X-rays violates law.

11/4, memo Paul, Gary, Rhoads ltr.

11/19 (verbal) asked FBI-IA file

11/22, CD889:49 (O'Sullivan) refers to FBI 11/63 interview; 2) GPO typescript test.

11/23, 1) Envelope with CD87:308 (FBI D-57); 2) any further reports, investigations; 3) CE740 made from wrong copy-has screen; CD7:701; CD106:268; CD1066:305; 307,309; CD1107:584; CD1513: 2,12; CD1518:138-9;

11/28 to Bernabei: Can't locate record of having made pix 399 for me. If I send electrostatic copy, they will search for neg.

12/1, verbal, contents Penn file

12/1 1) some time since I asked for access to shirt, tie or pix as alternative. No answer; 2) ask written answer to inquiry about Burkley's copy CE391; 3) any raw material CE391 in Archives. Ans in writing and if they do not have, can they direct me?

12/4, re 12/1: 1) ask for source, not only WC files; 2) where is it-what agency? distribution or appendages WC records. Inc. specimens

12/1, omission from his 11/18, do not know of an original CE391 or any memos, ltrs. trans.

12/5, asked Simmons re attached list names.

12/9. CD498 note says SS1205, 1222, 1223 (1221 is CE391) to Specter. Corres. requests for, etc.

12/12 1) no cert in JFK 4-1 file copy to me & Nichols; 2) they say they "are unable to locate any record of having prepared a special photo of

18-1969

the base of CE399" for me. Ask Johnson, who arranged and supervised; 3) Protest long delay, no responses.

12/24, renew requests for what I asked & haven't gotten, etc.; 2) list references to Ferrie & reason withholding each case; 3) long delay; 4) all docs, whether or not WC files, on Melvin Coffey, Alvin Beauboeuf, Layton Martens and, if withheld, reasons in each case.

12/30 re 12/5,9: 1) copies docs on 2 names sent; 2) no ltrs, memos re CD498 in Specter's ltr file.
12/30 re 11/22,23: 1) FBI's O'S interview withheld; 2) sends FBI D-57 (no envelope), CD87:308.

Knows no iny; 3) CD7:701 withheld FBI; 4) informs 4 Pena items.

12/30 to Bernabei says from copy I sent they identify picture as taken for Nichols, not me.

1970

1/4, re 12/30: 1) asked reason for withholding and identification, any other docs on; 2) at CE29 "deletion" in printed copy not in GRO transcript. Can he explain any records on? 3) order CD1307, 14 pp on Pena; 4) CD1140: 2-3; CE1186 &, if not extensive, all Burklely file. If extensive, list contents; 5) SS interview Travis Bankenderfer; 6) Shand, enc. with CD87:592. Anything else besides what I have, listed; 6) Ex10 glossy Curry SS picture; 7) no responses to my inquiry re 399 picture taken for me.

1/21, to Hoch: CD75 withholdings guidelines 3A, 3B, 3C but no breakdown.

1/22 re 11/4,24, 12/1,4,12: 1) ask me to submit list of what I want to appeal under FI act; 2) what they got from SS in "one of our two ltr's to you dated 11/18/69 and the enclosures to that ltr"; 3) if I cite what of Marine guidebook I want they will search; 4)

1/27: 1) re film, stills, does SS have? 2) my orig request for pages Marines manual includes page(s). When I find again, will provide; remind FBI is supposed to have all WC exs on film; 3) re CE 394, 395- meaningless (and I add, morbid, not good or taken for evid, usage), showing nothing (but gore). I want to compare with test about and cannot. They refuse to make pictures, means they will see to it that no one can make sense out of test. or see evidence; 4) ask he have enlargements of slits CE394 from their neg., nick 395; 5) no response my request duplicate picture 399 taken for me-went 2 prints and dupe neg; 6) also prints picture taken for Nichols, copy his order;

5) four Specter memos relating to autopsy in JFK 4-1 file, 2 dated 3/12/64 available at unspecified date before pub date "Scavengers" (note, the date before pub date by when written); those of 4/30, 5/12 at later, unspecified date; 6) when they say not in WC records they also mean in their possession. Includes CE391 stuff; 7) sends ~~CE394~~ CD7:284. No receipt attached to CE387; 8) No info on ltr 11/26/63 re "laws & regs"; 9) do not prepare spec. photos JFK clothing. Sends CE 394, 395; 10) JFK 4-1 doesn't contain certification. Sends copy from CE 397; 11) identifies my 399 picture as Nichols'; 12) now have WDSU film from SS.

2/4, re 1/22: 1) no list indiv docs declass. but others sent something like this; 2) I have asked for anything un-numbered similar list basic; 3) annotation my list substitute for such lists, existence of which not disclosed to me; 4) Specter memos, apologize if wrong. Explanation delay last 2, date availability first 2; 5) Marines book notations on 1,91,145,189; 6) Bringuier to rpt he gave SS re Mex with IHO. Ask for.

2/4, materials on panel report, autopsy docs' report, in Arch?

19-1970

2/4:1)list Ferris docs again-note no ans.
2) when examined 1/30, gutted; 3) given
8 prints not identified as made for Nichols. Please
comply with rest request, inc. copy his order and
explanation delay.
2/14: 1)CD7:199 missing (got 3/8/70);2) Slawson
to Frank, 8/30/64(got CD1462 instead 3/2/70); 3)
