Mr. Harold Weisberg
Route 12
Frederick, MD 21701

Dear Mr. Weisberg:

This is in reply to your letter of October 4, 1976.

Enclosed are copies of our lists of Warren Commission documents released by reviews of the records from 1970 through 1975, including the lists of documents released by the 1975 review. Copies of all these lists were sent to you at the time the documents were released. Copies of the documents released by the 1975 review will be delivered to Mr. Lesar as soon as they are finished.

Enclosed also are copies of the only documents having any relation to the medical evidence and autopsy of President Kennedy of which we are aware that you do not have copies. They consist of Commission Document 1269 and papers relating to the transfer of the autopsy x-rays and photographs to the General Services Administration by the Kennedy family. These documents have not previously been sent to you because you did not order copies of any of the documents released by the 1975 review, which included CD 1269, until your letter of September 24, 1976.

Sincerely,

(MISS) JANE F. SMITH
Director
Civil Archives Division
