Dear Mr. Forte:

Thanks for finding time to handle my letter of May 8, 1969 concerning the article pertaining to Lee Harvey Oswald in the issue of your paper of March 3, 1968 (v.12, n.10). My serious interest in this article prompts me to direct two questions from my letter to you again since they were not fully answered:

1. Do you have a file copy or archives copy of this issue from which a xerox could be made for me at my expense? All magazines with which I have had contact or association have a file of their back issues.
2. I would be interested in a copy of the photo from page 14 ("picture of mystery woman seen in Mexico City with Oswald") made at my expense. I assume that you have a file copy of this photograph. I would also greatly appreciate a statement as to the original source of this photo.

When you returned my letter of May 8, 1969 to me, all that was typed on it was: "We do not have any more copies of this issue and no place to buy them and no xerox copies of that articles (sic). We checked with our advertising dept. and our supply has been depleted long ago. Roland Forte"

Thanks much for your help.

Sincerely,
