Dear Listener,

We're delighted when listeners express interest in our programming, and we appreciate hearing from you. As a non-profit organization, NPR cannot afford the costly services of having its programs transcribed; however, we can provide you with a tape duplicate at cost. Cassette duplication is not available.

In order for us to fill your order as quickly and as efficiently as possible, we have set an hour minimum for any order. This minimum affords us the use of high speed equipment not in demand for daily broadcast usage: it means that an entire reel can be taped in less time than it would take a technician to locate, extract, and assemble a short program piece for you. While it may provide you with more programming than you are interested in, we hope you'll find the extra material you may receive interesting and beneficial. NPR policy permits the use of this recorded copy only for non-profit, non-broadcast purposes such as personal and educational uses. A duplicate tape provided by NPR will be recorded full track mono, (or 2 track stereo if available) and delivered in one of the following formats most practical for your equipment. Please choose an appropriate format:

FORMAT #1: Up to 60 min. per reel at: 3 & 3/4 i.p.s., on 7" reels only Processing Fee (Per order) \$5.00 60 minutes minimum \$4.00 61 to 120 minutes 8.00 121 to 180 minutes 12.00 181 to 240 minutes 16.00 Total Cost: \$ _____		FORMAT #2: Up to 60 min. per reel at: 7 1/2 i.p.s., on 10 1/2 reels only Processing Fee (Per Order) \$5.00 60 minutes minimum \$6.00 61 to 120 minutes 12.00 121 to 180 minutes 18.00 181 to 240 minutes 24.00 Total Cost: \$ _____
