Dear Harold and Lil:

Thanks, Lil, for the note. Hope you all have a great new year!

Last night, on the Tom Snyder^{show}, saw Ben Bradlee on a rerun from a few weeks ago. He said "I believe Lee Harvey Oswald, acting alone, killed JFK."

He said a few years ago, someone tried to sell him the 3 tramps photo, because one of them looked like Howard Hunt. He took the photo to Clarence Kelly, of the FBI who through earlobe analysis, proved it was not Hunt. Maybe he should have taken the Altgen's picture.

Anyway....

A few weeks ago, I bought MacNamara's book. I have not read it yet. Then, my brother Larry gave me the same book for Christmas. So instead of returning one of the books, I am sending one to you. I don't want you to have to wait forever to read it.

Hope you have a nice new year and I'll speak to you soon.

Bill
