Dear Harold and Lil:

Sorry that I have not written lately. I have been busy, although you could not tell it from my cash flow! Sometimes I think I am a total idiot trying to be in solo practice. Just today, one lawyer called to remind me that we have an April 7 deadline. Nice of him or her to tell me! Maybe I should be Kreskin so I can read others minds.

Another lawyer just will not communicate with me. It is just frustrating. Sometimes I don't see how anything gets done in this country.

While the usual frustrations are the norm with me, it makes me reflect on all the work you two have done over the years. With little compensation. I really don't see how you have done it. Most people would be running out the door screaming, just gone crazy.

Like me!

Too bad things did not work out with Janice, but I thought the turn-around time would be a problem. I enclose the computer disk. Now, do I have anything else of yours that needs to be returned?

I shall send Dave Wrone and Gerry Ginocchio copies of Newman's stuff. I got my copiers to print it for free, or at least a tradeoff for a business letter. Nice and shrinkwrapped.

I did get some interesting tape recently. Have not heard it. Called the Secret Presidential Tapes, from the Archives. Supposed to have the Joint Chiefs criticizing JFK after a meeting. I will report after I have heard it. On the A and E network.

Betsy and I have had colds, and no energy. Did have one thing interesting. Betsy had a friend in school who I gave some of your stuff to and wrote two papers on ML KING and James Earl Ray. Got A on both papers!

Water has receded. But ground is still saturated. Low lying areas

Continue to operate with half a mud.
Will write more when I have time.

Bill
