Dear Harold:

Real quick letter. Jim Marrs has finally flipped out! Read enclosed.
Great article about you and Ray in Fred. Post. Will distribute copies

I am having a hectic day, but tonite I am going catfishing.
Requirements.

1. Beer
2. Boat
3. Bait
4. No sense whatsoever.

Fish optional!
Got your latest mailings, have not read.

Gotta go to lunch and hearing. I should quit talking about UFO's
myself. Both Betsy and my best friend Roger have bought me
Alien T shirts!

Well, if the aliens do come, I want to see them!

I shall write more at length soon. Thanks for all the material you have
sent me. I really appreciate it.

I have come to agree with Dr. King. Racism is a disease. We appear to
have the cure here in Kentucky, UL football coach is black.
UK basketball coach is black. Nobody gives a damn as long as they win!

Say HI to Lil. Hope your airconditioning is good. It is hot here, but
I must endure if I am to toughen up in case I move to Florida. Where the
fish are.

Bill
