Dear Harold and Lil:

I got your request to draw up a codicil to make Clay Ogilvie another executor to your will. I did not like the first one we drew up. so I shall try again next week. I think it is a good idea.

Hope things are going well with you. We are doing fine, I am again teaching a history class at Betsy' s coollege.

I understand Lil is back home. I hope so! Tell her I said HI.

Stan Clark from Dallas called me last ~~XXXX~~ last week about some writing you have done on a fake FBI agent or something. I can't figure out what he is talking about. Some type of manuscript. He did not have a name.

We are in an incredible dro-ught. I guess the hurricane took care of your drought. Hope you did not get too much rain.

I enclose some interesting articles that I await your reply to.

I'll write soon when I hope to have something to say!

Bill

PS WHAS radio had Gus Russo on recently. He believes that Oswald acted alone, but the Cubans got him to do it. Well Gus, is that a conspiracy or not?
