Dear Hos,
014 "hang Looee," aics "ibaryland chicken farmar, " imn"t hanging, 25100 so , ank today begun threa mai a mist hali modiths of a moro limitad life.
Li.I's tax work begran today. It manns that morying end ovening I'm a chaufinur.
 of which tha doctor hamen inforved ma I kno: of nothine to take nee away bafors the 15th, when I have a spacch to maizo. Thereaffar it is quato posurbla I'I2 bex too busy

WEth Lil suay and monn to bo woridig nights at howe; other work falls on moo.
Why Join decided to beooco as gartisan in dan't know. I do fool it will be heipful to has in upwas wobility and persomai security. I hope it doen not bug hian to the podnt where ha wont lot me have for che defonse what ho can without ethiond problosse (Garbon enclosed.)

Unhean I has othorwise from you I'II assunse that those stomies rwprosont Shes polioy and they'11 son have you at the Bay of Jurxy at lou tide bocause one of John's cap nuialile sources has told him you'l3 find Judeg Giator in a 1913 Oldas if you go to the right placeest low ticiep only. If you then noed any haip thero smo gome old fellows around hose who ean do wonsiers nutide on puachobranch dip at the right spot.

My hurch is that John hea tone us a favor. Thare are for oxinizial lavyera who will raad his atufi without knowing thers never was a caue aguinst hey and without wonderime why thare wes a faico indictornat for the feds to siese a locsi case thmes days after the fact. (John areman with mo that they had a law to begin witho)

Liext tide he neotioms chicians to youp if he does. toll him thet whon he bets pant his acconi Rulitwor he' 21 bo in tha sane cluss ag I was in poultry. (Conaidering his youth I'II saive the consult nciea to our own and forelem governaentis in ackeosio 2udty lodgins equraty.

Hot tha: froa this writhing ha doean's have a patty pood erasp on the ond of the chiclam moat prophe ayoid.
