DEAR JOE,

This is a follow up of the letter from Harold Weisberg.

The Warren Commission, Oliver Stone, Posner and others have received a ~~great~~ great amount of publicity, but are defective.

Weisberg has received less publicity but he is closer to the truth of the JFKilling.

If you would get a legman to focus on what Weisberg has revealed as a result of his exhaustive research, you will be serving the cause of verity to a t.

Regards,

Yours,

Rabbi Samuel M. Silver
