- Buzhardt, in testimony today, "[repeats] the contention that the White House first learned of the full extent of the 18-minute gap on November 14." Miss Woods having testified 26 Nov that she told Nixon 1 Oct of her "terrible mistake," involving only 5½ minutes, perhaps "full extent" is the point Buzhardt is making here.

Buzhardt testifies that his explanation of the erasure which he gave in court 26 Nov, was "not a real certainty" but, instead, "just a possibility." NYT: "The disclosure ... that the White House explanation was 'just a possibility' took many spectators by surprise for it had seemed clear that the White House meant to place on Miss Woods the full blame for the 18-minute gap."
