

MR. PRESIDENT

WE ARE STILL WITH YOU AND HERE IS WHY —

DESPITE THE MOST HORRENDOUS EFFORT AT POLITICAL ASSASSINATION EVER
CONDUCTED IN THIS NATION UNDER THE COMBINED AUSPICES

of some representatives of the media—
of some members of Congress—
of most of the "hate Nixon" crowd—
(who were defeated at the polls in 1972)

AS A MAN—you have not replied in kind—
you have not hated in return—*INSTEAD*
you have survived—(We wonder how)

AS PRESIDENT—you have conducted the nation's business—
countered a war in the mideast,
reduced the Arab oil boycott,
ended long lines at gasoline retailers, and
achieved countless successes we have no space to mention.

IT SEEMS RIDICULOUS EVEN TO ASK AT THIS POINT— "WERE YOU RESPONSIBLE FOR WATERGATE?"

WHEN SAM ERVIN SAID on March 10, that NO EVIDENCE WAS PRODUCED in the Senate Watergate hearings to support impeachment of President Nixon. (N.Y. Daily News, March 11)

SO WHAT'S IT ALL ABOUT?

As "grass roots" Americans we reject POLITICS. There seems to be one plausible answer—POLITICS as a reason for a House Committee to examine the justification for impeachment proceedings.

WHEN WILL THE COMMITTEE BE GUIDED BY JUSTICE?

If not soon, a rapidly rising body of citizenry will reject a group of congressmen who could not distinguish between POLITICS AND JUSTICE.
