An Appeal for Fairness

(a mini-edition)

IF YOU BELIEVE AS WE DO:

that the Ervin Committee and a wide segment of the media, particularly radio and television, are seriously threatening the Presidency as an equal and independent branch of government.

IF YOU BELIEVE AS WE DO:

that the President of the United States is mercilessly abused and libeled.

IF YOU BELIEVE AS WE DO:

that the Ervin Committee and news media covertly and overtly subvert the truth in an attempt to bring down the President and, in the process, undermine and erode our image at home and abroad.

THEN . . . JOIN US NOW WHILE THERE IS YET TIME!

If the President cannot expect fairness from the Ervin Committee and the news media, and he cannot, there is still one last resort—the people of the United States! We, the people, can no longer remain dormant; this is our chance to be heard and counted as we were in the overwhelming victory of 1972.

This is a mini-edition of "An Appeal for Fairness". Your maximum contribution is urgently needed for more space in more newspapers to reach middle America. Give us the tools and together we will do the job.
