

Dean told G L 3/21 whole story, including of  
Mitchell's involvement in criminal activity  
Mitchell saw G L next day and, according  
to Mitchell, said nothing of this, asked  
Mitchell nothing about it - didn't even  
mention (Mitchell said they discussed only  
once - 6/72)

Of course, Mitchell also said that the only thing that  
might have persuaded him not to "come up" was "high  
pressure" - he substituted the words - so maybe he could  
be believed.

But either way, this means Nixon knew he did  
know. Either Mitchell lied - which is that of  
proven - and Nixon did ask him. Or, Nixon knew  
& didn't have to.
