Abplanalp Bank Got Charter After He Bought Nixon Land

Industrialist Robert Abplanalp is a principal stockholder in a new Yonkers, N.Y., bank which applied for a federal charter in 1971 after Abplanalp's undisclosed purchase of much of the land at President Nixon's San Clemente, Calif.,

The agent for Hudson Vallev National Bank and one of its founders was William E. Griffin Jr., Abplanalp's attor- loan to Mr. Nixon in a transacney. Griffin purchased two tion completed in December Florida lots from the Presi- 1970. dent, at a substantial profit to Mr. Nixon, late in 1972.

Warren, White House press secretary, said "No one at the White office and told him of their House was aware of, or in-plans to seek a charter. volved in any way, with this charter application." Griffin ers was Charles Emmet Lucey, said he talked to no one at the White House. Abplanalp has same firm as long-time Nixon mas. Abplanalp also owns one been ill and unavailable for comment.

A spokesman for the compof other applications."

Records show that Abplanalp, a close personal friend of c h a r t e r application as Mr. Nixon, bought \$115,000 signed by William Camp, then worth of stock in the bank, making him the largest single shareholder other than the b a n k 's organizers, seven Yonkers business and professional men. None of them purchased more than \$125,000 purchase of two residential bank stock.

\$2.5 million.

The White House disclosed Friday that Mr. Nixon had borrowed \$625,000 from Ab- Nixon had purchased one of planalp to help purchase his the lots in 1967 for \$30,000 San Clemente estate in 1969, and the other in 1971 for \$23, According to the White House statement, Abplanalp took the two lots, representing an over most of the 29-acre estate grounds for \$1,249,000, which included cancellation of the

On April 23, 1971, organizers of the bank visited C. M. Van

Accompanying the organiza Washington attorney in the associate Murray political Chotiner.

The application, date June troller of the currency said 1, 1971, was formally received the matter was "handled rou- by the comptroller's office tinely like scores and scores Aug. 11, 1971. After processing and investigation and approvals by lower level officials, the comptroller of the currency.

The bank opened for business May 13, 1972.

In mid-December 1972, bank spokesman for

from the initial stock issue of lots on Key Biscayne from Mr. Nixon.

> ·Property records in Dade County, Fla., show that Mr. 100. Griffin paid \$150,000 for apparent profit for the President of \$96,900. The lots are about a mile from Mr. Nixon's Florida White House compound.

Griffin said he is now "in the process of selling those lands at a considerable profdeputy Horn, regional comptroller of it." He said also: "I don't unthe currency in his New York derstand how you could make any connection" between the charter and the lot deal.

Abplanalp frequently entertains Mr. Nixon at Grand Cay, his private island in the Bahaof the five houses in the Florida White House compound at Key Biscayne.

Yonkers, done legal business for Abplanalp's firm, Precision Valve Corp., the world's leading producer of aerosol spray valves.

In seeking the charter, the organizers stressed that theirs would be the only locally owned bank in Yonkers. A Abplanalp organizer, director and secre- noted that a number of Precitary Griffin concluded the sion Valve employees own
