Mr. Harold Weisberg;

Dec. 1. 1975

Frederick, Md.

Sir. I was reading the news, and I noticed you was looking into the assassination of John Kennedy, this crime began long ago.

In 1952 Isenhower was elected preident. he appointed Earl Warren, to be chief justice of the supreeme court, Warren and Kennedy both were Roman Catholics and members of the Knights of Columbus, a terroist organation.

When Earl warren joined the knights of columbus he swore by an oath, that when the oppotunity came he would destroy our public school system, and he carried out this oath to the letter, he destroyed our schools by desegregation, not only our schools but our national economy.

I had a copy of this oath at time, it was printed on the catholic press, at Indianapolis, Indiana.

Earl Warren had all authority over this nation, and over the President.

One year after John Kennedy became president, Earl Warren told the president, that the church wanted him to have the constitution amended to allow the goverment to support our pharoichal school system. Kennedy let it be known that he would be speaking on television that evening at

-seven oclock,

I was sitting in the living room,Kennedy came on,he said as you know ,I am a member of the Roman Catholic Church,the church has asked me to have the constetution amended so the goverment could pay the cost of operating the pharoichal school system. he said I will not leave my church,neither will I violate the constetution of the united states. but I will resign as president,if neecessary.

Earl Warren was the worst killer and traitor this country has ever known,their cover up system is perfect,nothing can be proven.

Earl Warren told Johnson to appoint him to head this committe,he threatened Johnson,that the same thing might happen to him,Warren didnt entend to bring anything new back, thus a complete coverup.

When the negroes over ran this country,Warren told Johnson not to do anything about it,and this was part of the desegregation plan, Johnson said I just let the negroes run wild,he was talking to Ed.Murrow at his home just before he died.

Johnson knew the killers,and plotters and planner in the death of John Kennedy.

Be careful,it is serious,who will be next.

Sincerrily
