1/16/93

Dear Mr. Olden,

We disagree on what a good book about the JFK assassination is.

I do not regard any one of the books that theorize solutions and present them as solutions as a good book. They are all flawed in varying degrees, they deceive and mislead the people and they have caused enormous confusion,

You regard as good books that that contradict each other. They can't be both correct when they do this.

It is different if done as fiction but these are presented as factual and correct and they are not.

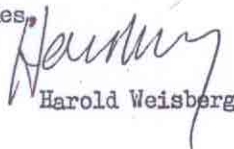

The problem is that people like you who do not know the established fact are not in a position to evaluate them and longing to know, are influenced by them.

So for which you have high regard are outrageous, dishonest and Morrow is a faker.

The author of Farewell America is not unknown. It was a project of the French CIA, then known as SDECE. The man in charge and who did the book uses the name Herve Lamarre. He took the pen name James Hepburn. The book is a fake.

I hope you do not find this disillusioning but I owe you the truth.

Best wishes,

  
Harold Weisberg

If you can get the reprint of Sylvia Meagher's Accessories after the Fac, it is superb. Vantage reprinted it but did not advertise it. The information on mine is enclosed.

DEAR MR. WEISBERG,

I HAVE BEEN INTERESTED IN THE JFK ASSASSINATION FOR SOME TIME AND FEEL THAT IT IS THE WORST CRIME IN AMERICAN HISTORY. I HAVE READ SOME GOOD BOOKS ON THE DIFFERENT THEORIES OF THE ASSASSINATION SUCH AS, CROSSFIRE, TEXAS CONNECTION, HIGH TREASON AND BEST EVIDENCE. I RECENTLY FINISHED A BOOK BY ROBERT D. MORROW CALLED FIRST HAND KNOWLEDGE AND WAS WONDERING IF YOU COULD TELL ME HOW CLOSE TO THE TRUTH THIS BOOK IS. ALSO I AM WRITTING TO YOU IN HOPES OF GETTING INFORMATION ON HOW TO PURCHASE YOUR BOOK WHITE WASH VOL. I-IV AND ANY OTHER LITERATURE ON THE ASSASSINATION. I'VE BEEN TOLD BY A FEW PEOPLE THAT YOUR BOOK IS ONE OF THE BEST AND IS VERY IMPORTANT, I WOULD REALLY LIKE TO OWN A COPY OF YOUR BOOK. THERE ARE SOME OTHER BOOKS THAT I HAVE NOT BEEN ABLE TO FIND ANYWHERE, MAYBE YOU COULD GIVE ME INFORMATION ON WHERE TO GET THESE BOOKS ALSO.

THEY ARE; 1. FAREWELL AMERICA, AUTHOR UNKNOWN, 2. JFK THE CASE FOR CONSPIRACY; ROBERT GRODEN & PETER MODEL 3. A HERITAGE OF STONE, JIM

GARRISON. I AM LOOKING FORWARD TO  
HEARING FROM YOU AND HOPE I CAN  
PURCHASE YOUR BOOK AND ANYTHING ELSE  
ON THE JFK ASSASSINATION. THANK YOU  
FOR YOUR TIME.

SINCERLY

STEPHEN L. GOLDEN
