Mr. Harold Weissberg
Route 12
Frederick, Maryland 21701

Dear Harold:

Thanks so much for your letter of January 10th.

Please don't get your hopes up. My happening upon WHITE-WASH IV simply made me want to have another look at your work as a whole in the hope that I might suggest something constructive.

I do hope that you subdue your phlebitis as you have so many other obstacles.

Best regards,

Peter Shepherd
