NOTE:

Odio claims that Oswald and two others visited at her apartment in Dallas on September 26 or 27, 1963. It is not possible for Oswald to have been there on those dates. We now believe that man thought to be Oswald is likely a Loran Hall, a prominent anti-Castroite, Commission has requested expeditious inquiry to prove or disprove Odio's claim. Re LHM shows that Insua told Connell that on date not stated two men called at her apartment seeking to find Odio and that Odio later told her the two men were from anti-Castro organization seeking her support. While Insua was interviewed, she was not questioned about this nor have we spoken to Odio about it.
