

Lee Oswald - CIA used - the debit - know
What CIA was - ??

She didn't know nothing

On film - question a card? FBI - CIA? You
She said she had a card of my name,
I had have her it in my possession.
She knew a lot of things.

When she was only 18 - Carlos Oswald
Worked in field of debit (know) even on Sinatra
Larry Taylor - worked for / credits - eyes out etc
She was engaged to him - supposed to
kill Castro?

Helped on when she took film out of camera
- big explanation

Hesitated on how many shots she heard - 4
She didn't continue filming - not Bobushba
She didn't talk after such an experience

I talked to FBI if they didn't ask if film in 10 mins.
after 100? She says pick up - Chipman px
Possibility she still has it but she didn't get back?

Larry Buchanan

Ref to how helpful her phone took would be - several
used to work for Bill DeKey "The next power
New man I ever met in my life
