SUBJECT: ADMINISTRATIVE OFFICE OF  
 THE UNITED STATES COURTS  
 WASHINGTON, D. C.  
 INFORMATION CONCERNING

b7C

On 3/17/60, Warren Olney III, Director, Administrative Office of the United States Courts, Washington, D. C., and his assistant, [redacted] made a number of allegations concerning the Bureau's handling of an administrative inquiry investigation, as well as regarding personnel of one of our field offices. These allegations, most of which were made by Airhart, were thoroughly gone into and refuted. Olney has been straightened out on this matter.

In view of the established unreliability of [redacted] it is recommended that an SAC Letter be issued alerting all SACs that should any representative of the Administrative Office of the United States Courts make any request of our offices he should be courteously advised to refer his request to the Department; and the Bureau should be advised promptly in full detail of any contacts made. Attached is a letter to accomplish this.

RECOMMENDATION:

That the attached SAC Letter be transmitted to all offices.
