MISCELLANEOUS - Information Concerning

Assistant Deputy AG Geoghegan called last evening and advised that the Deputy AG had asked him to prepare a reply to a letter from Warren Olney, dated 11/29/62. Geoghegan said we would be particularly interested in the AG's comment with regard to this letter, which was that Olney was "a silly s.o.b." but the AG thought a reply would have to go to him.

Olney had sent us a copy of his letter of 11/29 to the AG, in which he complained about our referring to him allegations we had received regarding two Court of Appeals judges. This matter was considered at that time and Mr. Rosen's memorandum of 12/4/62 submitted a memorandum to the AG of the same date advising that, since Olney did not want the information in the future we would not advise him, but would only inform the Department.

I told Geoghegan that Olney had sent us a copy of his letter to the AG and we had, in turn, written to the AG about this. Geoghegan was told that if Olney did not want us to give him any information we received which related to matters within Olney's jurisdiction, we certainly would not volunteer anything in the future, as we were only trying to be helpful. Geoghegan said he would secure the letter which the Director had sent to the AG concerning this and use it as a basis for his proposed reply to Olney.
