Dear Mr Brown

We are responding to your letter dated 18 November 1987 inquiring if Keesler AFB had custody of Lee Harvey Oswald's and several other's training records.

In accordance with Air Force Regulation 12-50, Volume I, Disposition of Air Force Documentation, Policies, Procedures, and Responsibilities, we maintained training records prior to 1982 on Keesler for 2 years. After the 2 years, we transferred the records to the National Personnel Records Center, 9700 Page Blvd, St Louis, MO 63131 for the remainder of the retention period.

Upon receipt of your Freedom of Information Act request for training records of Mr Oswald and other individuals in the same class, we requested the records from the National Personnel Records Center. We forwarded your request and the records to HQ ATC/DADF, Randolph AFB TX, as a proposed partial denial. In accordance with Air Force Regulation 12-30, Air Force Freedom of Information Act Program, we can release records; however, we do not have the authority to deny them. HQ ATC/DADF will determine releasability of the records and notify you of their decision.

If we can be of further assistance, please contact Ruthie Atchley, 601-377-2286.

Sincerely

A handwritten signature in cursive script that reads "Jackie Floyd".
