Mr. Lee H. Oswald  
Malina Street, 4-24  
Moscow, U.S.S.R.

Dear Mr. Oswald:

Your letter of 30 January 1962 addressed to the Secretary of the Navy concerning your separation from the Marine Corps Reserve on 13 September 1960 has been referred to me for reply.

A review of your file at this Headquarters reflects that a board of officers was convened by the Commander, Marine Air Reserve Training, Naval Air Station, Glenview, Illinois, for the purpose of determining your fitness to remain a member of the Marine Corps Reserve. Referral of your case to this board was predicated on reliable information which indicated that you had renounced your United States citizenship with the intention of becoming a permanent citizen of the Union of Soviet Socialist Republics. The Commander, Marine Air Reserve Training, made reasonable effort to inform you of your right to appear before the board in person, representation by counsel of your choice and to present any evidence or statements you believed pertinent to your case.

In the absence of reply from you concerning your rights as stated above, the board, nevertheless, convened and met on 8 August 1960 at which time a recommendation was submitted that you be separated from the Marine Corps Reserve as undesirable. This recommendation was concurred in by the Commander, Marine Air Reserve Training and approved by this Headquarters. Your discharge as undesirable was directed by this Headquarters on 17 August 1960 and effected 13 September 1960.

Your discharge certificate as undesirable is attached. Earlier delivery of your certificate could not be accomplished since your whereabouts previously was unknown.

Sincerely,

R. H. TOMKINS

January 30, 1961

Dear Sir:

I wish to call your attention to a case about which you may have personal knowledge since you are a resident of Fort Worth as I am.

In November 1959 an event was well publicized in the Fort Worth newspapers concerning a person who had gone to the Soviet Union to reside for a short time, in much the same way E. Winberg had resided in Paris. This person in answers to questions put to him in articles in Moscow criticized certain facts of concern. The story was blown up into another "turncoat" narrative with the result that the Navy Department gave this person a dishonorable discharge, although he had received a honorable discharge after three years service on Sept. 11, 1959 at El Toro, Marine Corps base in California.

These are the basic facts of my case.

I have and always had the full sanction of the U.S. Embassy, Moscow U.S.S.R. and hence the U.S. Government. In as much as I am returning to the U.S. in this year with the aid of the U.S. Embassy, being with me my family (since I married in the U.S.S.R.) I shall employ all means to right this gross mistreatment of a bona-fide U.S. citizen and of service to the U.S. Government in no charges or complaints against me. I ask you to look into this case and make the necessary steps to repair the damage done to me and my family. For information I would direct you to consult the American Embassy, Chikovski St. 19/21, Moscow, U.S.S.R.

Thank You
