

But, I don't know where it is, probably borrowed & not returned, but I also had a file on FBI checking of planes out of N.O. (especially in private ones, deystromson!)

Also missing is at least one memo of a conversation with Dean Andrews we should talk about some time because he claims that Liebler deliberately corrupted the record Briefly, LHO in his office 5 June 62, with Mex. but not gexp. That was only a coincidence just then.

I don't think you want it, but I have the FBI's checking of cheap hotels in N.O. the CD used in our NO (1553?) Probably filed away with ms. of books.

Also in ~~the~~ N.O. There is a place I used blanks in quoting an FBI report. One of these refers to the Mexican Tourist Representative (delegate?). He was alleged to be gay.

Hal Deib interviewed Arnold Louis Kesler a fraud and got nothing, as I recall (CD 955? The following one was released 1970)

Richmond (Tito) ~~Harper~~ Harper interest? I have clips on crest for gun smuggling Also of de Mahren - Schuld to trip in FBI reports

Havent read. Skimmed for memo. Fewer than I thought
