- a. Seven documents received from the Federal Bureau of Investigation.
  - b. Ten documents received from the Department of State.
  - c. Two documents received from the Department of Navy.
  - d. One document (a name check request) from the Immigration and Naturalization Service.
  - e. Four newspaper clippings.
  - f. Five internal CIA notes.
  - g. CIA report dated 31 January 1964 to the Commission which covers all substantive developments affecting CIA in the matter of Lee Harvey OSWALD from 9 October to 22 November 1963. The report indicated the disseminations of information developed by CIA that were made to other Federal agencies during that period. This item, as was pointed out at the time, is particularly sensitive and bears appropriate sensitivity indicators.

4. You will note that almost all of the documents carry markings required for CIA's internal records processing. A few of the papers contained the names of our employees or identifications of specific organizational components. We have taken the liberty of blocking out these items as they do not bear on the substance of the Commission's request.
