

UNITED STATES GOVERNMENT

Memorandum

TO : FILE

DATE: 1/31/64

FROM : SAC, DALLAS

SUBJECT: LEE HARVEY OSWALD, aka.
IS - R - CUBA

1/31/64

On 1/30/64, at approximately 8:05 a.m., Section Chief WILLIAM BRANNIGAN advised as follows:

The Bureau would like the following numbered photographs shown to MARINA OSWALD today:

Photographs

- 1 through 43
- 44 through 64
- 65, 70, 276, 287, 367, 368, 369, 370

If it can't be done today, it must be done tomorrow. Thereafter, send to the Bureau an airtel enclosing a letterhead memorandum, and in the letterhead memo, identify each photograph shown by number. On the back of the photograph, have the corresponding number. Send photos with the letterhead memo; they will be returned by the Bureau. In the letterhead memo, after each number, show what MARINA says about it.

The Bureau has to have this information before Monday.

The "No Admittance" sign sent to the Bureau is a heavy cardboard, approximately 6" high and 24" long. It is the type of sign you might put on a garage or the door of an office, but probably not outdoors. What is its significance? Where was it found? *at this number? Not known*

Concerning the Minox light meter, Mrs. PAINE says it is hers. The Bureau was requested to advise what the exposed Minox film depicts. BRANNIGAN advised he would call back today.
