The Texas Unemployment Commission file of OSWALD reflects a memorandum dated November 26, 1963, from BURCHAM (supra) to Assistant Administrator, Texas Employment Commission, captioned Unemployment Claims of LEE H. OSWALD, S. S. No. 433-54-3937. This memorandum contains the following:

"Set out below is the history from our claim records pertaining to this individual.

"On April 12, 1963, Oswald filed a claim in our Dallas Office listing Jagger-Chiles-Stoval, 522 Browder, Dallas, Texas, as his last employer. He showed that he was separated on April 5, 1963, because 'I was laid off by John Graves, head of the photography and art department, due to lack of work.' He showed his occupation to be photographer and his age to be 23. He listed his address as 214 W. Neely, Dallas 8, Texas.

"On April 16, he was mailed a determination disapproving his initial claim because of insufficient wage credits. The only wage credits which were shown were from Louv-R-Pack Div., which is Leslie Welding, Inc., 200 East North Vasek Street, Fort Worth, Texas. On April 29, 1963, he filed a disagreement from New Orleans, Louisiana, showing that he should also have wage credits from Jagger-Chiles-Stoval. These wages were found (they had been reported by the company under an incorrect social security number), and a new determination approving his claim was issued on May 8, 1963. This determination approved his claim for maximum benefits of \$369 payable at the rate of \$33 per week. Thereafter he filed claims as indicated below:
