EUGENE J. YRLE, Office Manager, Pfisterer Dental Laboratory Company, 227 Dauphine Street, advised after a search of the records, he could find nothing containing any record of the employment of LEE HARVEY OSWALD. He stated that employment applications, payroll records, withholding requests signed by an employee, withholding reports, etc., for 1957 and 1958, have been destroyed. He advised messengers are considered temporary employees inasmuch as they usually work for only a few months.

YRLE advised he replaced the former bookkeeper who died. He did not know OSWALD.
