Mr. Kenneth C. Collins, GS-8  
Chief, Documentation Branch ( 3380ABG/DAD )  
Headquarters Keesler Technical Training Center ( ATC )  
Keesler Air Force Base, Mississippi 39534

Dear Mr. Collins:

Reference is made to your letter dated July 13, 1977.

Mr. Oswald attended Aircraft Control and Warning Operators  
Course AB 27330 this base, 24 April 1957 through 18 June 1957.

I have reason to believe that in this particular case, the  
records were not or atleast should have not been destroyed.  
According to Executive Order, all evidence in the case which  
would include Mr. Oswalds military service records, should  
have been preserved.

Accordingly, I would ask that you look futher into the matter  
and your earliest possible reply would certainly be most  
appreciated.

Sincerely,

Emory L Brown, Jr.
