Memorandum

TO : FILE (89-69) DATE: 11/25/63

FROM : SAC H. G. MAYNOR

SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY
11/22/63, DALLAS, TEXAS

On 11/24/63, at 1:00 PM, I called the Dallas Office and talked to ASAC KYLE G. CLARK. CLARK was questioned as to whether Bureau instructions had been changed concerning the time element which appears to be pertinent. ASAC CLARK stated there had been no change and the only instructions Dallas had received were from Mr. BELMONT who desired that OSWALD's whereabouts be determined from the time of his arrest in New Orleans up to the present date. Mr. BELMONT stated Dallas can definitely place OSWALD in Dallas from 10/15/63 to the time of OSWALD's arrest. While talking to ASAC CLARK he advised OSWALD had been shot and that inquiries were being made in this regard. During this conversation CLARK advised he had just received word that OSWALD had died. At 1:22 PM, Supervisor JACK BURNES of the Bureau called. He referred to Atlanta teletype to Bureau 11/23/63 at 1:36 PM, which set forth information furnished by Airman 2/C PALMER E. McBRIDE. Mr. BURNES stated the Bureau desired to be furnished with the result of inquiries made by New Orleans as a result of this teletype and desired to know if a message had yet been sent. I advised Mr. BURNES that inquiries had been made at the dental laboratory referred to in the above teletype but we had been unable to locate anybody to date that could furnish pertinent data. BURNES stated New Orleans should immediately submit a teletype setting forth information developed to date and expedite further inquiries of this type. I advised him that the above referenced message did not indicate there was any expediency since the data in question did not pertain to the question of whether OSWALD did or did not assassinate the President. Mr. BURNES advised that in view of OSWALD's death it is now paramount that the Bureau develop sufficient information to be in a position to show why OSWALD shot President KENNEDY. (u)

Mr. BURNES advised that in view of this it may be necessary to expand the New Orleans inquiries to include anyone and everyone that may have been acquainted with OSWALD. Mr. BURNES stated we should be particularly alert for any statements, comments or events indicating OSWALD planned to shoot the President or any statements to the effect that he thought President KENNEDY should be assassinated.
