Dear Larry Ouimette,
I cant take tile to write a biography but if you all at your convenience I' 11 holp in any way I can. I suggest that you have questions in mind so I wont be telling you what should interest you.

Weekends the phone rate is much lower and that is as good for me as any other tine.

I have to walk mornings as therapy. The doctor has me go to a local mall, where weather is no factor and I can elevate a daruaged leg when that becomes necessary. I eta usually hone byor a $23 t t i e$ before 11. If you decide to do this on a Saturday, drop ma a note in advance and I'll be sure that no errands take me away.

Sundays we generally visit in the noming and are home by 2:00.
While I'm to sit with the damaged leg elevated, I also ought not git for more than $20-30$ minutes without moving around a bit, so if you come to a place when you want to think, tell me and I can walk for a minite or less while you do.

Enclosed is a list of the books. Since we printed it I got a few copies of Oswald in New Orleans, which I did not publish myself and is out-of-print. They are, I regret to say, $\$ 25$ each if you $w$ nt one 。

Thanks and best wishes,
