GONFIDENTIAL بشرقة ويتجرب والج SONFEDENTIAL 3/A PORLI YSOESS, Bacone J., Bat, USN, incident report of $\cdot l$ At 1240 this date. HOEBS, who serves as a hospital corpaman in the USS STONE COUNTY (LET-1141) (Can Di-no-Dased) visited the Pearl -- Earbor Branch office to report information which he thought might be of interest to us, as follows: ... HOBBS was stationed at the dispensary at Atsugi Japan TAS from 1955 to Dec 1957 or Jan 1958. According to a "Life" Sugarine story printed recently, Ise Earroy OSWALD, alleged "assaain of our late President, was also stationed there at The same time. The magazine continued that OSWLD visited the same time. The magazine continued that OSWLD visited Russis in 1959. Atsuzi is a "slosed" base, and at the time, " was the base for the Joint Zechnical Advisory Group, which maintained and flaw wood - flights. KOBES noted that one year after OSMAID disited Russis J.F. POWZES was captured Lee HARVey osually Knowledge OVCR Russia HOBES stated that it was gossip wround the base that the U-2 were trains recon flights over Russia. Sometime during 1957, a fawl Germander mane into the dispensary and talked to some a Laval Cormander same into the dispensary and talked to some of the HNC's at the Master-St-Arms shock. HOPES was there is too. The Commander stated that he wanted an HNC to volunteer to joint a group he was commanding which will be stationed in Bangonk and will make recon flights over China. One of the ESC's, name unknown, a short, blond headed Chief, eventually wont with the unit to Banglok and was there three wonths. The Corrender stated that the flights would be the same as the ones the U-2s are making over Russia. Since it was common knowledge around the base that the U-Zs were being utilized for recon flights, HORES now believes that CSMALD could have given that information to Russia. Honorable John T. McNaughton General Counsel of the Department of Defense Washington, 25, D. C.

Dear Mr. McHaughton:

The copy of the military records of Lee Harvey Oswald, which you sent to this Commission on January 15, 1964, does not appear to include any record of inquiry into his case by the Office of Naval Intelligence. However, the Commission is advised that the Office of Naval Intelligence did inquire into Mr. Oswald's conduct upon his discharge from the USMC and his subsequent trip to the Soviet Union.

The Commission would appreciate being furnished two copies of all materials concerning Lee Harvey Oswald in the files of the Office of Naval Intelligence and any additional information on Mr. Oswald in the files of any other department, agency, office, or organization, under the jurisdiction of the Department of Defense.

I will be happy to discuss with you any question of security which may arise in connection with this request.

Thank you for your assistance in this matter.

Sincerely,

SIGNED

J. Lee Rankin General Counsel

MEMORANDUM TO THE FILES

From: Special Agent M.S. BLISS, ONI

Subj:

1. On the afternoon of 23 November 1963, information was received via network TV coverage re the assassination of the late President that one was being questioned as a suspect in connection with

that assassination.

2. The undersigned and Special Agent F.D. DRAFER, ONI, caused a reviewof F5 files to be made which resulted in recovery of four files on persons with names similar to that of Subject. Each file contained varying degrees of subversive information relative to the subject thereof. This was made, known to LTJG A. FELL, USNR, the 921 duty officer, and it was suggested that the SRA in Dallas, Texas, be contacted for identification of Subject in order that an accurate file check be made.

3. PELL obtained authorization for such contact, and subsequently the undersigned conferred with S/A A.C. SULLIVAN, ONI, SRA-Dallas, requesting the information. SULLIVAN shortly thereafter returned the call, identified Subject as

he formerly served in the U.S. Navy from 2-22-43 to 1-5-46, service . He stated that contact with the ASAC of the FBI, Dallas, Texas, office had disclosed that Subject was not a suspect but was being questioned regarding peripheral matters.

4. Review of the files, on the basis of birth data provided, disclosed that the subjects of none were apparently identical with the subject being questioned at Dallas. No further action taken.

5. That evening, the undersigned learned via network TV that subversive information was alleged to exist regarding Subject. In view of the fact that S/A SULLIVAN had provided information indicating that Subject had been in the U.S. Navy, the undersigned called LTJG PELL and suggested a recheck of ONI (F5) files. The results of that check, if any, are unknown to the undersigned.

And Martin added that Marina will remain in seclusion under Secret Service and FBI guard, until the Warren, Committee makes itsreport. Lee. in her behalf. She also refuses to see her mother in law, Mrs. Margueile Oswald, and Ruth Paine, the woman who took her into her-home in Irving Tex., and cared for there when the her her the for her when she gave birth

Why is Marina Oswald held Dec. 17. Istit because what she had to tell could prove embarrassing to the FBI, Secre Service and Dallas police, who who so miserably neglected protection for the President? Does she have evidence that could implicate others and thereby fute the FBI's and Dallas police conclusions . that Oswald ... was guilty and alone? Does she have tween Oswald and U.S. undercover agencies? (See the photostats on pages 6 and 7.) Meanwhile's dris. Marguerian activity of the slain activity of the ises to scream her husband is guilty even if a probe acquits him. For good measure, she will even . say Lee Oswald > shot at Walker. a crudeness that isolate: her acceptable? wouldn't b gratie-B movie. And if the Warren Commission takes her story at its face value without a real effort to get the full truth out of her, the entire affair will be reduced to a farce unmatched in history. In that respect, of serious concern to all who lay hope on a full and uninfluenced investiga-tion by the Warren Commis-sion, is the announcement by Rankin that the plan is to rely. on the regular investigatory instruments - of the government (like the FBL, Secret Service and CIA) and that there is to be no provision for defense Oswald is had been suggested by prominent attorneys, among them Percy Foreman of Hous-ton, head of the Defense Attor-neys Association of America. THERE WILL be no attorney in defense of." Oswald in the Warren hearings who could possibly cross-examine witnesses of the Dallas-Police, FBI and-Secret Service. The question is not only whether Oswald as an individual was guilty. As Percy ... Foreman stated over a TV program, it is a matter of concern-to all Americans to get at the. truth in the manner provided in court procedures:

The overwhelming majority of Americans, as the polls indi-cated, were sorry for the murder of Oswald not so much for his individual right to have a trial, as because of their belief that in a trial more of the truth would come out. Large numbers were even doubtful of his guilt, and even larger numbers doubted the FBI and Dallas Police conclusion that he was alone.

questions remain Numerous unanswered. Was Oswald an undercover agent for the CIA or . the FBI that sought to recruit. him? Much evidence has appeared to support that contention. If that is proven, it would still not prove Oswald guilty or alone in the crime. There has been much competent opinion, and especially from European newsmen who were on the scene, that the assassination was well planned and not the

deed of amateurs. Where would the planners look for a "fall guy" if not through their notorionsly numerous contacts ; in the FBI, secret service and Dallas police and their stables of paid informers and provocateurs?. Is it not well known that the rash of ultra-rightist organizations, some like the Minutemen who boast they bear arms, even ma-chineguns, and the Birchites, Rockwell's Nazi-Party and the Nationalist Party, have a relatively higher percentage of support among military and police forces than among other sections of the population. Many of them have top military men in leadership. بمريدهم المعرف أستري Oswald may have been an undercover agent for the U.S. and not necessarily guilty, or even fully aware of the plans. volved in the conspiracy, but without the knowledge of the authorities of their organizations. ... Ruby.".

There were a number of such possibilities and it appears that the Warren Commission is looking into them. The Wall Street Journal of January 10 says in its report from Washington that the Warren commission "asks federal agencies to comb their files for any mention of Lee Oswald or Jack Ruby. Even the Securities and Exchange Com-mission gets the word." Unless the Warren Commis-sion does get at the bottom of the plot to kill Kennedy the "Next" project, as suggested in "The Rockwell" Report" (see photostate on page 6) may be attempted.

an and the American State THE CYNICISM surrounding the seclusion of Marina Oswald was well shown in a letter in Russian, said-to be the only direct word from her, in which she rejected an effort by the Dallas Civil Liberties Union to interview her to determine whether her rights are respected. MARINA OSWALD'S situation is quite understandable.⁴At 22 and still unable to speak English, she is the mother of a two-year old and two-month old child. When the assassination occurred, 'the Secret Service and FBI secretly lodged them in a motel Jim Martin managed. It was there, on the advice of the Secret Service, that she picked Martin as "business advisor." He immediately picked a lawyer for her and everything has been well in hand since. With Oswald in his grave and Mrs. Oswald "in as good a position as one can expect" there-is only the question of Jack-Ruby's "rights." And it seems that a champion for those rights has come forward in the person of Robert Morris, former chief. counsel for the Senate's Eastland Committee on Internal Se-curity, who is running for the curity, who is in Texas. But he says a state law wouldn't affect them because they each carry arms "as indi-viduals" and it would be unconstitutional to bar them, from owning weapons for "their own protection," from "communism." This was done vol-untarily by me on December 3rd, in keeping, with our own policy and all the related materials must be made available to the Com-mission so that, the American-people can know the full truth. We again state that Oswald Was never a Communist or a Marxist. He wrote letters to the Party office asking for literature and information, just as thou-sands of other dot. I reply to all such letters as a matter of normal procedure. Apparently, Oswald also wrote to many others and was in control with organiza-tions and persons of the ultra-Right, and with the government agencies. All the facts about Oswald must be examined. Every American has the res-ponsibility to learn serious les-son's from the full truth involved in this mad act of assassination and the calculated murder of the accused assassin. Whatever we can contribute to the full truth we do without qualification. 155 The Worker 12/29/63

The Justice Department said that the F.B.L investigation was continuing and that any further facts that were found would be reported to the Warren commission.

The report is known to emphasize that Oswald was unquestionably the assassin and that he acted alone.

Speculation that Oswald and Ruby knew each other, or in some way were part of a priori vendetta or association, is completely discounted in the report

He Acted Alone and Did Not Know Ruby, Says Report to Warren Inquiry Panel

Special to Tao New York Times WASHINGTON, Dec. 9-A Federal Bureau of Investigation report went to a special Presidential commission today and named <u>Lee H</u>Oswald/as the assassin of President Kennedy.

There can be no doubt of Oswald's guilt; according to the report. The report further concluded that there was no link between Oswald and Jack Ruby, the man who killed him in the Dallas police garage.

The Department of Justice, declining all comment on the content of the report, announced only that on instructions of President Johnson the report was sent directly to the special commission of which Chief Justice Earl Warren is chairman.

The commission asked that the report not be made public until it had had an opportunity to review it and had. taken "whatever action it may feel appropriate."

The world now knows that the FBI and Dallas police are convinced that the package contained a 6.5 mm. Mannlicher Carcano, Italian army carbine equipped with a four-power telescopic sight, bought from a Chicago mail order house for \$12.58. Mr. Frazier found a parking place

"They talked about it all morning and they were glad the parade was coming by during the lunch hour so they wouldn't have to worry about missing any of it," Mr. Truly said.

Back in Irving

While the people of Dallas began getting themselves into position to welcome the President along the parade route decided upon four days before, the rest of the household woke up at the house in Irving.

Mrs. Paine, 31, an energetic, wellspokeh and attractive alumna of Antioch College and the University of Pennsylvania, switched on the television to watch President Kennedy's appearances with his wife at a breakfast in Fort Worth and the tumultous welcome he received when his big plane, Air Force One, landed at Dallas' Love Field.

Marina Oswald, a blond, hazeleyed, pretty pharmacist the ex-Marine had met and married in the Soviet Union, awoke and came into the living room to watch the Kennedys on television.

"Marina thanked me for turning the set on and watching the Kennedys seemed to put her in a fine mood," said Mrs. Paine. Obviously she was and is Marina Oswald's main anchor in this strange land.

"Marina speaks little or no English and I speak Russian, but not as well as Lee did," Mrs. Paine said. "I was hoping to improve my Russian well enough to teach later on."

Mr. Lewis T. Euff U.S. Secret Service P.O. Box 245 Columbia, S.C.

Dear Mr. Huff:

Shortly after the shooting of President John F. KENNEDY on November 22, 1963, the District Intelligence Office, Charleston, S.C. was informed that one

had information relative to the assassination. was then a patient at the U.S. Naval Hospital, Charleston, S.C. He was interviewed by a representative of the Office of Naval Intelligence from about 1610 to about 1645, and stated substantially as follows:

He was in a bar in New Orleans, La. ten days to two weeks ago when he heard a man try to bet \$100.00 that President KENNEDY would be dead within three weeks. He does not recall ever seeing the man before and is not certain he would recognize the man if he saw him again. He admits being somewhat intoxicated and said the man also was in an intoxicated condition. He advised that, at the time, he paid no attention to the man because he thought "it was just drunk talk and a drunk will bet on anything." However, he said after the shooting of the President, it occurred to him there may have been meaning to the remark and he thought it should be reported to authorities. Recalling, he said the man who was attempting to place the bet was dressed like "a working man", but beyond that he could offer no description. He stated he does not recall a bet was actually made. Further, he advised he does not recall the name of the bar he was in when he heard the remark. He said he frequents bars within a four or five block radius of the 2200/2300-block of Canal Street, New Orleans, La., and he often goest to two or three bars in an evening. He thinks this particular bar was just off Canal Street, and he knows he frequently goes to Freddie's Bar and the Straight Day Bar in this area. He said on the particular night he heard the remark, he remembers an ex-Mavy friend, ', and' girl friend were with him. He does not know if either of them heard the bet attempt, and he does not recall that they discussed it. He thinks and his girl friend may have been away from the table or the booth at the time the remark was made. The man offering the bet was not at a table, but was at the bar. He did not hear anyone call the man by name. He does not know) New Orleans address and does not girl friend. He said, however, she works as a know the name of waitress at the 🦻 a white male, gave his ٩., , and his address as full name as said he is a former Navy quartermaster third class and

By BLENARD GWERTZMAN Biar Staff Writer Lee Harvey/Oswald the ac-cused slayer of President Ken-nedy, is a moody young man who turned to Cuba for love after Russia spurned him.

after Russia spurned him. A man who served with Os-wald in the Marines has de-scribed him as a "lonely, in-troverted, aloot boy." His section chief, however, remem-bers him as a "hothead" who was "always having beefs with the guys in the barracks."

His landiady in Dallas told police. "I told myself that he was a peculiar man. I took it for granted that he didn't care for people. But he never both-ered anyone."

Oswald, himself, once said his infatuation with Marxism was a result of the hardships suffered by his mother. She told police yesterday her son "is really a good boy."

"My mother has been a worker all her life," he told an American reporter in Mos-cow in 1959 when he was seek-ing Soviet citizenship. "She's

ing Soviet citizenship, "She's a good example of what hap-pens to workers in the United States." Although he was not born until 1939, he apparently liked to talk about the problems his mother had during the hard days of the depression in the early 1930s.

Bitter About Mother

Allen D. Graf of Buffalo, who served with him in the Marines, said Oswald "was bitter about the tough time his mother had during the depression." ين أن

Oswald explained that he enlisted in the Marines in 1956 when he was 17 because "we were poor and I didn't want to be a burden on my mother." His father, an insurance salesman, died before Oswald was born. Reared in New Orleans (his birthplace) and Fort Worth, he spent two years in New York during his teens.

in New York during his teens. Oswald spent only 23 days in high school and yet claims to have read "Das Kapital" by Karl Marx, a weighty tome from which many scholars have shied away. He claims that he came across Marx when he was 15, "after watching the way workers are treated in New York and Negroes in the South."

Scored as Sharpshooter

As a Marine. Oswald had an undistinguished career. He never rose above private first class, and was called before He class, and was called before two courts-martial, once for unauthorized possession of a weapon, and once for "using provoking words to a non-com-missioned officer."

As a marksman, he was some-what above average, qualifying as a "sharpshooter," with a as a "sharpshooter." with a score of 212 out of 250 with a standard M-1 rifle. "Sharp-shooter" is the second highest of the three qualifying categories.

He was taught to be an avia-tion electronics operator and served overseas in Japan, Later, Oswald said that in Japan, he "had a chance to watch American militarist im-

But instead of going home to his mother, Oswald took his saved-up Marine money and headed for Russia to become a Soviet citizen.

Like other defectors before him, Oswald looked to Russia to solve all his problems. He went to the American Embassy and told officials: "I am a Marxist."

State Department records show that on November 2, 1959, Oswald turned in his passport and said in an af-fidavit: "I affirm that my al-legiance is to the Soviet So-cialistic Republic."

Married in Russia

But Soviet officials were not eager to grant Oswald citizen-ship. They put him off, offering, however, to allow him to live in Russia as a resident alien

the wourn of his American passport.

In early 1962, he wrote a letter to Senator Tower, Republican of Texas, asking his help. Senator Tower released the letter on Friday night. The text; with Oswald's spelling and punctuation, follows:

"My name is Lee Harvey Oswald, 22, of Fort Worth, up till October 1959 when I came to the Soviet Union for a residenual stay. I took a residenual document for a non-Soviet person living for a time in the USSR. The American embassy in Moscow is familiar with my

Killing Suspect Had Fired Gun, Tests Reveal

Leftist Charged, Once Appealed To Gov. Connally BULLETIN

DALLAS (AP) .--- Police arrested a second man today and questioned him about the shooting of President Kennedy. He is believed a friend of Lee Harvey Oswald, who is charged with murdering the President. The name of the second man arrested was not immediately made public.

By JERRY O'LEARY, JR.

Star Staff Writer DALLAS, 'Tex., Nov. 23. DALLAS, Tex., Nov. 23.— Parafin tests have disclosed that Lee Harvey Oswald, ac-cused of the murder of Presi-dent John P. Kennedy, had fired a gun shortly before his arrest yesterday afternoon, Dallas Police Chief J. E. Curry announced today.

The tests, indicated there were traces of gunpowder on the skin of the 24-year-old self-styled admirer of Fidel Castro. .3

Chief Curry also told re-porters at Dallas police head-quarters a witness has been found who saw Oswald enter the Texas School Book Depository Building, from which the fatal shots were fired, carrying a long package which may have concealed the rifle that killed President Kennedy and wounded Texas Gov. John Connally.

Wrote to Connally

It was disclosed in Wash-ington, meanwhile, that Osington, meanwhile, that Os-wald once wrote a personal let-ter from Minsk, Russia, where he spent three years, to Mr. Connaily, who was President Kennedy's first Secretary of the Navy, asking that his "un-desirable" discharge from the Marine Reserves be reversed. The letter, it was learned today, claimed that news re-ports of his defection to Rus-sia were exaggerated. The dis-charge was based on these re-norte ports.

ports. A Department of the Navy review board upheid the dis-charge, however. There was nothing to indicate that Mr. Connally took any action on the letter, but it posed the question of whether Gov. Con-nally, rather than Mr. Kem-nedy, might have been Os-wald's target if the charge that he was the suiper is sustained. Oswald continues to deny the charges against him in the death of the Children to deny the charges against him in the death of the Child Executive and of Dallas Police Private J. D. Tippitt.

He is to be transferred from the police headquarters cellblock to the Dallas County jail some time today until the grand jury acts on the evidence against him.

MEMORANDUM FOR THE RECORD

Subj: OSWALD, Lee Harvey, Ex-PFC, USMCR, 1653230 (U)

1. OSWALD, who was reportedly born in New Orleans, Louisiana, on 18 October 1939, has, according to his own statement given to news correspondents in Moscow in thefall of 1959, long been dissatisfied both with his own lot and with what he has conceived to be social and economic inequities in the United States. At the age of 15, according to his statement given above, he discovered what he has called "socialist literature," particularly Karl Marx's Das Kapital. OSWALD's alleged discontent with America, however, did not prevent him from enlisting for three years in the U.S. Marine Corps at Dallas, Texas, on 24 October 1956. While in Service he attended the Aviation Fundamental School and completed the Aircraft Control and Warning Operators' Course, following which he was assigned to Japan and Taiwan. Released to inactive duty at Marine Corps Air Station, El Toro, California, on 11 September 1959, he, according to his later statement, immediately departed from the United States by ship with the intent of traveling to the USSR through Northern Europe. Reportedly entering the soviet Union from Finland on 15 October 1959, OSWALD appeared at the American Embassy in Moscow on 31 October, at which time he presented a statement signed by himself in which he specifically renounced his American citizenship, stated that he was applying for Soviet citizenship, and affirmed that his allegiance was to the USSR. In an interview held with Embassy representatives at this time, during which OSWALD's manner was said to be "aggressive, arrogant, and uncooperative," he reportedly stated that the reason for his act was that "I am a Marxist," and he volunteered the statement that he intended to inform the Soviets of his specialized knowledge obtained as a radar operator in the Marine Corps. This knowledge could not have been too damaging since he reportedly had no access to classified material while in the Marine Corps. Later, in an interview with American correspondents in Moscow, OSWALD elaborated somewhat on his reasons for defection, claiming that he was repelled by "what happens to workers in the United States" and by how Negroes are treated "in the South". Additional information possibly bearing on OSWALD's reasons for defection was provided at the time by his half-brother, then a Sergeant in the U.S. Air Force, who described OSWALD as a moody and bitter youngster, attributing this bitterness to OSWALD's mother's personality.

2. In November 1959 Soviet authorities reportedly refused to grant OSWALD citizenship status, but did allow him to live in the USSR as a resident alien. In view of OSWALD's actions in these respects he was given an undesirable (Unfitness) discharge from the U. S. Marine Corps Reserve on 17 August 1960. Apparently learning of this at a later date, OSWALD sent a letter dated 20 January 1961 but received in February 1962 from his address in Minsk, USSR, to Mr. John B. CONNALLY, Jr , then residing in Fort Worth, Texas, following his resignation as Secretary of the Navy. Expressing considerable bitterness about his being given an undesirable discharge from the Marine Corps Reserve, he stated in this letter that everything he had done had had the sanction of the U. S. Government, and that following his contemplated return to the U. S. later that year "I shall employ all means to right this gross mistake or injustice to a boni-fied(sic) U.S. citizen and ex-service man." In concluding the letter, OSWALD charged Mr. CONNALLY with the duty of inquiring about his AUTOMATIC REGRADING: Declassified/Downgrade to ... U.MLLASS. EXCLUDED FROM DIR 5200.10 DOES NOT APPLY nan

case and then taking the "neccessary(sic) steps to repair the damage done to me and my family." Somewhat later, in March 1962, OSWALD addressed another letter complaining about the character of his discharge to BGEN TOMPKINS, Assistant Director of Personnel, U.S. Marine Corps, but in this case he made no threats or promises as to what he planned to do should he not receive satisfaction.

3. In June 1962 OSWALD reportedly left his job with the Belorussian Radio and Television Factory, Minsk, USSR, and, accompanied by his Soviet wife and child, departed the Soviet Union destined for the U.S., still an American citizen according to the U.S. Department of state which ruled that he had not expatriated himself under the pertinent laws of the United States. Upon his return, OSWALD was, interviewed by Federal Bureau of Investigation agents, who reported that he exhibited an impatient and arrogant attitude during the interview, that he denied renouncing his American citizenship or seeking Soviet citizenship, and that he stated that he had not been recruited by Soviet intelligence while in the USSR. A few weeks later OSWALD obtained employment as a machinist with a local machine shop in Fort Worth, Texas. Interviewed again by FBI agents, he continued to deny renouncing his American citizenship, while refusing to discuss his reasons for going to the Soviet Union, disclaimed recruitment by Soviet intelligence or that he had made a "deal" with the soviet government for his return, and stated that a contact he had made with the Soviet Embassy in Washington, D.C., had merely been for the purpose of reporting his wife's current address.

4. Apparently still attracted to communism, OSWALD was reported to be a subscriber to "The Worker," east coast communist newspaper, as of September 1962. In March 1963, having moved to Dallas, Texas, OSWALD had acquired a reputation among the other tenants at his apartment address of frequently drinking to excess and of beating his wife on "numerous occasions." A month later, reports were received indicating that OSWALD had been in contact with the pro-Castro Fair Play for Cuba Committee, and that he had passed out literature for this organization while wearing a placard around his neck reading "Hands Off Cuba-Viva Fidel." In June 1963 he reportedly moved to New Orleans, Louisiana, where he secured temporary employment as a maintenance man and continued to distribute literature for the Fair Play for Cuba Committee, which latter activity once resulted in his arrest when he became embroiled in a fight with some Cuban refugees. While in New Orleans OSWALD's commitment to Castro's Cuba apparently became stronger, for he, in an August 1963 interview by FBI agents, willingly admitted his activity on behalf of the Fair Play for Cuba Committee, and, following his participation in a local radio program on Cuba, stated that the Russians had "gone soft" on communism and that Cuba is the only real revolutionary country in the world today.

5. In late September 1963 OSWALD reportedly moved from New Orleans with his wife and child ostensibly destined for Texas, but no information is available indicating that he actually went there at that time. On 1 October 1963 a reliable and sensitive source reported that a man answering OSWALD's physical description had been in contact with the Soviet Embassy in Mexico City, inquiring whether the embassy had received any information concerning a telegram which had been sent to Washington. Information presently available to the Office of Naval Intelligence does not indicate what significance, if any, this contact may have represented, and no other information on OSWALD was received until 22 November 1963.

Mr. McNAUGHTCN expressed a strong desire to review the following documents not held in the file:

A call to the Administrative Office, NAVCISUPPCEN, determined that CNO Ser 015422P92 was merely a transmittal letter forwarding an FBI report already held; further that according to DIC-9ND TWX 2300292,"DIO-9ND files contain only letters of transmittal." This was reported to reviewing-personnel, but at the request of Mr. McNAUGHTON, Captain ZUNWALT telephonically contacted the DIO-9ND Duty Officer and requested confirmation. Manuaiswmointhen Commander JORDAN was later briefed on this circumstance, and advised that if response indicated that the contents of these documents contained anything other than transmittal letters, he would be notified. At the close of review (0140) response from DIO-9ND had not been received, and Captain ZUMWALT agreed to potify Commander JORDAN directly as indicated above.
